AGENDA FOR CHANGE

Invite you to

WATER & WASH CAREER DAYS MAY 7, 8 & 9

Engage virtually and globally to learn more about working on water resources and water, sanitation, and hygiene (WASH) services in one or more sessions!

SPOTLIGHT ON GLOBAL OPPORTUNITIES IN WATER & WASH

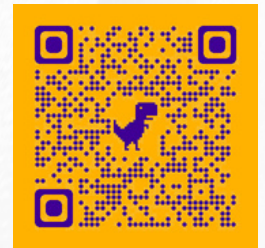

Preview a video montage from water and WASH experts and join for a small group discussion around the breadth and depth of jobs in this sector.

This event will happen at two times.

Session 1 on May 7 at 8:00 UTC

Session 3 on May 7 at 13:00 UTC (interprétation en français, interpretación en español)

REGISTER

AT A GLANCE

3 DAYS OF EVENTS

- 8 chances to share and learn
- Insights from sector experts
- Hear from speakers from around the world
- Grow your network

NAVIGATING MID-CAREER CHANGES

Reasons abound for needing to make a change mid-career while staying in the water and WASH sectors, but how to go about it? Come to this event for tips and to share ideas!

This event will happen at two times.

Session 2 on May 7 at 10:00 UTC

Session 4 on May 7 at 15:00 UTC (interprétation en français, interpretación en español)

SEARCHING FOR WATER & WASH JOBS

In these sessions, participants will hear from Josh Newton to gain insights on how to secure their next water or WASH job and make an impact in the sector.

This event will happen at two times.

Session 5 on May 8 at 9:00 UTC

Session 6 on May 8 at 16:00 UTC (interprétation en français, interpretación en español)

FOR WOMEN IN WATER & WASH

Peer Learning Sessions

Bring a challenge, share a challenge.
Find solutions.

Session 7 on May 9 at 8:00 UTC

Session 8 on May 9 at 16:00 UTC (interprétation en français, interpretación en español)

What time is this for me? Each registration page will display the event in your local time to ensure it works for you!
